

STRENGTH DURABILITY PRIDE INNOVATION QUALITY

VORTECH

TPD Aluminum Molding

One piece seamless composite skin with white gel coat finish inside and out

Non-Skid Surface

Spring Assisted Ramp Door

One-piece seamless composite

Steel belted radial

Rubber torsion axles New "EZ-Lube Bearings"

Box tubing wall structure

Perimeter chassis

3/4" seamless composite floor with gelcoat finish

ADDITIONAL STANDARD FEATURES

- Beaver Tail
- Composite Ramp Door
- Rear Skid Casters

- Rubber Torsion Axles with Electric Brakes & EZ Lube Bearings
- RV Side Door

- 12V Interior Lighting
- 12V Deep Cycle Battery & Box
- LED Running & Tail Lights

- Retractable Vent(s)
- 2-5/16" Coupler
- Safety Break-A-Way System

The Vortech Series

Since 1984 TPD Trailers Inc has led the way in cutting edge trailer designs and materials. While other manufacturers have stayed anchored in yesterday's designs, TPD's expertise and technology has pushed us light years ahead of our competition.

TPD was the first and only manufacturer to build an all-composite trailer to increase durability and to lessen overall trailer weights. Secondly we incorporated aerodynamics to improve towability and improves gas mileage by 30% over conventional flat nosed trailers!

The Vortech represents TPD's very best. The Vortech combines Hard Body Seamless Composite Panels, TPD's Perimeter Boxed Framed Chassis, Aerodynamics, Walk-On Roof, Rubber Torsion Axles, LED Lighting, Proprietary Aluminum Trim Molding, Aero Space Fasteners, Superior Towing, Highest Re-Sale Values, Pride of Ownership and Customer Satisfaction.
